

Richard Ballard Golf Academy

Run by Richard Ballard PGA Professional and his team from his Sherdons Golf Centre, near Tredington in Gloucestershire, the Richard Ballard Golf Academy offers everyone a chance to improve their game.

JORDAN AUBREY
PGA Golf Professional

Introducing Jordan Aubrey, PGA Golf Professional, and new member of the Richard Ballard Golf Academy coaching team.

Having played competitive golf from an early age in his home town Nuneaton, for the last 5 and a half years Jordan has been working locally, with notable success, helping develop Junior Academies as well as new to golf, starter programmes.

Work we're keen for him to continue with the Richard Ballard Golf Academy.

I pride myself on my ability to make the technical aspects of the golf swing easy to understand with a very informal and natural approach to coaching, offering simple, easy to repeat drills that are tried and tested to improve your game.

Having the unique coaching facilities at Sherdons to develop my coaching offer further, is a really exciting challenge. If you're looking to have some fun learning to play better golf, give me a call and I look forward to seeing you soon
